NEW ORLEANS HILTON RIVERSIDE HOTEL

Tables are \$750 and \$1,000. You may buy whole tables or simply request a certain number of seats at a "mixed" table in the chosen price range. (FYI: Runway tables are limited, so some \$1,000 tables will be on the second row.) To hold your priority seating status partially paid for tables must be completed by the October meeting. When the seating is done, all tables will be filled. To be eligible for the hostess prize (members only) the hostess must collect reservations for a table of ten and distribute the admission tickets to their guests. All reservations **MUST** be paid for before the luncheon. There will be **NO** payment collected on the day of the event.
